RE: Amendment of Legal Description
ML 48313-MP
DOGM Permit M 039 013

Dear Mr. Haas,

Enclosed in duplicate is an amendment of ML 48313-MP to include T19S, R1W, Sec. 5, Lot 4, 39.70 acres. Please sign, notarize and return both copies to me ASAP. I will return one copy to you for your files after final execution.

I caution you not to extend the regraded spoils pile placed southeast of the quarry site any further to the east as even now it abuts against the boundary line with Lot 3, in Section 5. Otherwise it will be necessary to amend the legal description of the lease, and your DOGM permit, to also include Lot 3. Please obtain a detailed map of land survey of your operations to ensure that you stay within the permitted boundaries.

Sincerely,

John T. Blake
Mineral Resources Specialist
